

## Notes for completion of the supplementary form for Dixons Academies

Before completing and returning the supplementary form, please note the following:

Parents/carers who wish to apply for a place for their child at Dixons City, Dixons Kings or Dixons McMillan academies need to complete and submit this form by **3.30pm on Monday 23 September 2019** in order for their child to be entered for the assessment.

Those who wish to apply for a place at Dixons Allerton, Dixons Cottingley or Dixons Trinity academies do not need to complete this form because these academies do not admit by fair banding so children do not need to sit an assessment.

Parents/carers who wish to apply for a place at any of the Dixons Academies under the 'Exceptional medical or social need' or 'Children of staff' oversubscription criteria, should follow the instructions in the guidance document (provided with this form).

Please submit only one application (either paper or online). If you make a mistake or wish to change your application, please e-mail: [admissions@dixonsca.com](mailto:admissions@dixonsca.com) or telephone: 01274 423134 or 01274 423127. To avoid errors occurring, please do not submit a second application (either online or as a paper copy).

- Please take time to read the Admissions Guidance document (provided with this form) as this explains the admissions process and the oversubscription criteria for each of the Academies.
- Check that you have signed and dated the form on page 3.
- Allow sufficient time for the form to reach us by the deadline stated above and on the front of the form; forms received by the deadline will be considered first.
- If you are posting the form, this should be sent to the address given on the front of the form.

We strongly recommend using the 'Signed For' service at the Post Office to ensure delivery as we cannot be held responsible for forms that are lost or delayed.

Every year a number of parents/carers post forms using the normal post service and some of these forms go missing in the post. This means that those parents miss the deadline for applying.

By using the 'Signed For' service, you can check if your form has been received by entering the reference or tracking number at the web address: <https://www.royalmail.com/track-your-item>

- Make sure you list each of the Dixons Academies you are applying for on the Common Application Form that will be provided by your local authority in September.

**NOTE:** If you wish to complete this form online instead of using a paper copy, please visit the webpage:

<http://admissions.dixonsacademies.com>

This page is intentionally left blank

**TO ENSURE DELIVERY, FORMS SHOULD BE RETURNED EITHER BY POST (POST OFFICE 'SIGNED FOR' SERVICE) TO THE ADDRESS BELOW OR IN PERSON TO THE RECEPTIONIST AT DIXONS CITY, McMILLAN OR KINGS ACADEMIES**

Forms can be returned in September between 7.30am and 5.00pm, Monday to Friday. If you wish to return your form in person before September, please telephone the Academy where you are returning it to to check the opening times. Forms can also be returned at the Open Evenings; please see the Admissions Guidance (provided with this form) for the dates and times of these.

# Applying for a place at the Dixons Academies

## ***Guidance for parents/carers of Year 6 children seeking to start Year 7 at Dixons Academies in September 2020***

---

### ***The admission arrangements for the year are:***

- Applications for places at the Academies will be made in accordance with the local authorities Coordinated Admission Scheme, as published on local authorities' websites and in Bradford Local Authority's booklet "A guide for parents about admission arrangements to Secondary Schools". Where an Academy receives more applications than places available, the oversubscription criteria for admission will apply.
- Dixons City, Kings and McMillan Academies use fair-banded assessments as part of their admissions process. Consequently, a Dixons Supplementary Form (SIF) has to be completed in order for a child to be entered for the assessment. There is a strict deadline of **3.30pm on Monday 23<sup>rd</sup> September 2019** for submission of a completed Supplementary Form.
- For Dixons Allerton, Cottingley and Trinity Academies, a supplementary form is not required because these academies do not admit by fair-banding.
- Parents who wish to apply for any of the Dixons Academies need to list the academies as preferences on their local authority's Common Application/Preference Form, which needs to be submitted by 31<sup>st</sup> October 2019.

## **Admitting students of all abilities (City, Kings and McMillan academies only)**

Our intakes are representative of the full ability range and exactly match the ability profile of the children applying to each Academy.

To achieve this, all applicants who apply by the deadline are invited to take a non-verbal reasoning assessment to divide them into 9 ability bands or "stanines", from band 1 at the bottom up to band 9 at the top. We will admit the required number from each band based on the spread of ability of those applying. For example, if 20% of those applying score in band 5, then 20% of the total places has to be from this band.

*The assessment is, therefore, not a traditional entrance exam which students either pass or fail. It is done to ensure that we take a fair number of students across the whole ability range.*

## **Applications to the Academies**

Every year, there are many more applications than we have places for. For places in September 2019 this was:

<u>Academy</u>	<u>Number of places</u>	<u>Number who completed SIF (where applicable)</u>	<u>Number who named the Academy as a preference</u>
Allerton	245	436	780
City	165	1165	1575
Cottingley	180	n/a	253
Kings	160	993	1257
McMillan	112	1079	1291
Trinity	112	n/a	1527

*Continued overleaf*

The local authority operates an equal preference system for all schools in Bradford. The best advice to parents is to put their favourite school first: if their child does not get a place, this will not damage their chances of getting into the other schools on their list. List your schools on your local authority's Common Application Form in your *genuine* order of preference.

Both Dixons and the local authority recommend that you use at least one preference for a school which you could reasonably expect to get. For example, a school you live in the catchment area for. If you do not use one of your preferences in this way and your child does not qualify for any of the schools listed (because they have more applications than places), there is a chance your child will be allocated a place at a school you have not listed, which may be far away from your home address.

### ***Oversubscription criteria***

There are specific oversubscription criteria for each Academy which can be found in the pages overleaf. Please take time to read these as they explain the different criteria applicable at each Academy.

### ***Exceptional need applications***

Parents who wish to apply for a place under the 'Exceptional medical or social need' oversubscription criteria, will need to submit a separate e-mail or letter to the Dixons Admissions Office before **31<sup>st</sup> October 2019**.

The e-mail/letter should state which Academy the application is for. The supporting documentation should be in the form of a written recommendation from the child's paediatrician/consultant or a professional from Children's Services, and must explain why that particular school is the only suitable school to meet the child's needs and why no other school could provide the appropriate support for the child.

E-mails should be sent to: admissions@dixonsta.com

Letters should be sent to: Chair of the Governing Body, c/o Admissions Team, Dixons McMillan Academy, Trinity Road, Bradford, BD5 0JD

Parents/carers will be informed if the application can or cannot be prioritised by 31<sup>st</sup> December 2019. Please note that prioritisation is not a guarantee of a place.

### ***Children of staff***

Members of staff who wish to apply for a place under the 'Children of Staff' oversubscription criteria, will need to submit a separate e-mail or letter to the Dixons Admissions office before **31<sup>st</sup> October 2019**.

The e-mail or letter should include the following information;

- Their name, post and length of service or recruitment to a hard-to-fill post (please state the post).
- The name and date of birth of their child.

E-mails should be sent to: admissions@dixonsta.com

Letters should be sent to: Chair of the Governing Body, c/o Admissions Team, Dixons McMillan Academy, Trinity Road, Bradford, BD5 0JD

### ***If your child is not offered a place***

If your child is not offered a place at the academy/ies you have applied for, your child's details will automatically remain on the waiting list until the end of December 2020.

In January 2021 you can ask for your child to be placed onto a new waiting list. Where places become vacant they will be allocated in accordance with the oversubscription criteria.

If you are dissatisfied with the admission decision, you will also have the right of appeal.

*Continued overleaf*

## ***Dixons Allerton Academy***

The Academy will admit up to 245 children in the relevant age group each year if sufficient applications are received. Because the Academy is an all-through Academy, 60 of these places are automatically available to children already attending the Academy in Year 6. Once those Year 6 children who require them are allocated a place, any remaining places will be allocated to other children applying. All applicants will be admitted if 245 or fewer apply.

If the Academy is oversubscribed, after the admission of children with a Statement of Special Educational Needs or an Education, Health & Care Plan, where the Academy is named, priority for admission will be given to those children who meet the criteria in the order set out overleaf:

- a) Looked-after children or children who were previously looked-after. See note 1 for a definition of these terms.
- b) Children who have *exceptional* social or medical need, supported by a written recommendation from the child's paediatrician/consultant or a professional from Children's Services. The recommendation must explain why the school is the only suitable school to meet the child's needs and why no other school could provide the appropriate support for the child.  
Consideration under this criteria will be decided based on the information received and parents will be informed if the application meets this criteria before the end of December. See note 2 for how to apply.
- c) Up to four children of staff, who have been in post for at least two years, or to staff recently appointed to a post for which there is a demonstrable skill shortage. See note 3 for how to apply. If demand exceeds places at this point, the decision of who will be offered the place will be made by using a computerised random number generator programme (see note 4).
- d) Children whose siblings live at the same address, currently attend the Academy, and will continue to do so on the date of admission (see note 5 for a definition of sibling). If demand exceeds places at this point, places will be decided based upon proximity to the Academy as detailed at point e).
- e) Admission of children on the basis of proximity to the Academy using straight line measurement taken from the Ordnance Survey reference point for the home address (see note 6) to the main entrance of the school. Where the offer of places to applicants with equi-distant addresses would lead to oversubscription, the decision of who will be offered the place will be made by using a computerised random number generator programme (see note 4).

Where a child is allocated a place and they have a sibling/s (brothers or sisters) applying for the same year group, the sibling/s will also be offered a place/s (see note 7).

### ***Notes***

Where twins and triplets or siblings (brothers or sisters), are applying for the same year group and one sibling gains a place, the other sibling/s will be promoted within the ability band/s for a place. Where only one place remains, a place/s will be offered to the other sibling/s above admission number.

All applicants for these places will be required to attend workshops and, if they opt to apply for a chosen specialism, an audition, in order to be considered for one of these places.

Children who are not offered a performing arts place will still be considered for one of the remaining places, along with all other applicants.
