

3rd December 2018

Dear Parents/Guardians,

It is our job within the School of Humanities to ensure our scholars achieve 100% in their GCSE studies. As a department we strive for excellence at every opportunity through highly tailored lessons, feedback and homework, and as such have been presented with an exciting opportunity to purchase a set of revision guides which will give your child a further resource to enable success in their exams.

We are looking to place an order for the revision guide titled My Revision Notes: OCR GCSE (9-1) History B Schools History Project (Paperback) and ask that you contribute towards the payment. The cost of the book will be £9.99 and paid through the usual means of Parent Pay.

Along with colleagues from across the Dixons Academies Trust, we have identified this revision guide as being best-placed to help our scholars succeed in their forthcoming GCSEs. If you would like to take a look at some sample pages provided by the publisher, please follow the link below:

The revision guide covers all the units which your child will study during their GCSEs, and we would therefore heavily encourage you to put in an order through us to purchase one for your child.

Please could you complete and return the permission slip below by no later than 7th December and an order will then be placed for your child. Please have your child return the slip to their history teacher. Once we have received the reply slip, we will arrange for the option to make the payment on ParentPay to appear to you.

When we have all the reply slips back we will make the order to the publisher. However, your child will not receive the revision guide until the amount has been paid on ParentPay.

Please do not hesitate to contact me if you have any questions regarding this.

Yours sincerely

Mr J Titmas
Head of the School of Humanities
