

## Year 11 assessment timetable for summer 2021

### Exam location

Assessments should be completed in the normal exam room, where possible. However, an academy can use a classroom as long as students are correctly distanced from each other.

### Follow-up for absence

If a student is unable to attend a scheduled assessment, a suitable follow-up assessment should be put in place, if possible. This could be a past exam paper that is completed under the same conditions as other exams.

### Timetable

Date	Morning	Afternoon
<b>April – May</b>	In-class assessments	
<b>10 May</b>	Options	Options
<b>11 May</b>	Revision	Revision
