

29th November 2019

Dear Parent / Carer

Y8 Masterclass 2019 – Wednesday 4th December 2019

At Dixons McMillan we will do whatever it takes to ensure our whole community is highly employable and fully ready to lead happy and successful lives. With this in mind, your child has been invited to attend a Maths masterclass at Dixons Cottingley Academy on Wednesday 4th December 2019.

They will be spending an hour taking part in a series of problem solving mathematical challenges and learning about some advanced mathematical techniques usually taught in KS4.

The students will leave Dixons McMillan at 9.00am and will be back by 11.00. We will be travelling by minibus to Dixons Cottingley. This is a free event and so there will be no cost to students.

If you have any questions please do not hesitate to contact me.

Yours faithfully,

Mr W Huty
Head of Mathematics
