

Dear Parent/Carer,

**RE: Mock results evening – Year 11 (Class of 2021)**  
**Thursday 28<sup>th</sup> March 18.00 - 19.00**

As the Class of 2021 move ever closer to their GCSE examinations, we would like to share and celebrate their recent mock results at DMA on the above date. This will be the first time the scholars will see these results, thus replicating the same experience they will have on their real results day in August.

Parents and carers are expected to join the scholars in opening their results. You should aim to arrive at DMA for 17.45; you will receive a short presentation at 18.00 followed by the opening of results and finally a chance to speak to subject teachers. Subject teachers will be happy to answer any questions about how to ensure exam success in the summer. All scholars should be in full school uniform.

As usual, I urge you to support the Class of 2021 to continue to revise in the coming weeks by making sure they have a clear space to work at home and by questioning them on their revision. We would also advise that any distractions such as mobile phones and Xbox's are removed until after the exams; if you would like any support with this please let me know. Please complete the reply slip below to confirm you have read this letter and can attend the evening event. Scholars should return the slip to reception.

Yours faithfully,

Miss Megan Edwards  
Head of the Class of 2021
