

17th January 2020

Dear Parent/Carer,

**Subject Consultation Evening - Class of 2025
Thursday 23rd January 2020 (16.30 – 20.00)**

The Class of 2025 have made a positive start to this academic year. The majority of scholars have become strong role models for our newest scholars in the Class of 2026.

At the heart of this success is the strong three-way partnership between scholars, staff and parents / carers. To maximise the potential of your son / daughter we will be holding a **Subject Consultation Evening on Thursday 23rd January 2020** where we would expect to see 100% attendance from scholars and parents / carers.

It is vital at this point in the year that scholars are now starting to think about their potential GCSE choices and are starting to discuss these with you at home. It is imperative that scholars meet all subject teachers in particular the option subject they are thinking of picking as their choice. This will enable for scholars, families and also teachers to confirm the option they are choosing is appropriate.

To book your appointments please login into **www.parentmail.co.uk** using the login created in November. If you are experiencing any problems please email **jgreenwood@dixonsma.com**

While these discussions may be broached during the course of the Subject Consultation Evening, please be aware that an information session will be taking place on the evening regarding your child's curriculum and option choices. This is a compulsory session and you only need to attend one of the sessions. Once **all** subject appointments have been booked through parentmail, please indicate via the reply slip which information session you would like to attend by ticking the time below on the reply slip.

We would like to take this opportunity to thank you once again for your continued support. As always I look forward to seeing you on **Thursday 23rd January 2020** and in the meantime if there's anything that I can help with please do not hesitate to ask.

Yours sincerely,

Mr Shabahz Mahmood
Head of Year (Class of 2025)

Subject Consultation Evening - Thursday 23rd January 2020 (16.30 – 20.00)

Scholars Name: _____
