

October 2022

Dear families,

Y10 Cycle 1 Assessments and Parents' Evenings

Firstly, I would like to thank you for your continued support in ensuring you support your child to uphold our core values of resilience, integrity and courtesy and to ensure our school is a place where everyone feels welcome and everyone succeeds.

Cycle 1 Assessments

For students in Year 10, Cycle 1 assessments will take place between **10-20 October**. These assessments will be taken in class and results will be shared with you via a Cycle 1 report in November. Please see the timetable overleaf to help your child to prepare for their in-class assessments.

To support your child, please encourage them to revise at home: quizzing, flashcards and mind maps using their 100% sheets or using online resources (such as Sparx and Educake) to support.

We will use the data from the assessments to target intervention and ensure students are in the right groups to support their progress.

Year 10 Progress and Information Evening

Please make a note of the date of this year's Y10 progress evening. This will take place on **Thursday 18 May 2023** and will be an opportunity to speak to your child's subject teachers about their progress. It will also provide an opportunity to find out more about revision strategies to prepare them for Year 11.

Yours faithfully

Lydia Gayle
Assistant Vice Principal
