

October 2022

Dear families,

Y11 Cycle 1 Assessments and Parents' Evenings

Firstly, I would like to thank you for your continued support in ensuring you support your child to uphold our core values of resilience, integrity and courtesy and to ensure our school is a place where everyone feels welcome and everyone succeeds.

Mock 1

For students in Year 11, Cycle 1 assessments will take place between **14-23 November**. These assessments will be taken in class and results will be shared with you via a Cycle 1 report in November. Please see the timetable overleaf to help your child to prepare for their November Mocks.

To support your child, please encourage them to revise at home: quizzing, flashcards and mind maps using their 100% sheets or using online resources (such as Sparx and Educake) to support.

We will use the data from the assessments to target intervention and ensure students are in the right groups to support their progress.

Year 11 Progress and Information Evenings

We have scheduled three opportunities for families to discuss the progress of Y11 students. The first is on **Thursday 20 October**. This will be an opportunity to get information about the upcoming Kingswood Residential and how students can prepare for Mock 1. It will not be a full subject evening, but will give families the chance to speak to Heads of Department, SLT and advisors.

Please make a note of the date of this year's Y11 progress and intervention evenings below:

Thursday 20 October – Y11 Information Evening: Kingswood and Mock 1

Thursday 8 December – Mock 1 Results and Post-16 Options Evening

Thursday 20 April – Mock 2 Results and Preparing for GCSE

Yours faithfully

Lydia Gayle
Assistant Vice Principal
