

October 2022

Dear families,

### **Y7 Progress and Parents' Evenings**

Firstly, I would like to thank you for your continued support in ensuring you support your child to uphold our core values of resilience, integrity and courtesy and to ensure our school is a place where everyone feels welcome and everyone succeeds.

### **Progress Update**

In Year 7, students are assessed in all subjects in cycle 2 (February 2023) as well as at the end of the Academic year in Cycle 3. For cycle 1, you will receive a report on attitude to learning and homework, along with attendance and behaviour information.

To support your child, please encourage them to revise at home: quizzing, flashcards and mind maps using their 100% sheets or using online resources (such as Sparx and Educake) to support.

We will use the data from the assessments to target intervention and ensure students are in the right groups to support their progress.

### **Year 7 Progress and Information Evenings**

We have scheduled two opportunities for families to discuss the progress of Year 7 students. The first is on **Thursday 17 November**. This will be an opportunity to get information about the upcoming residential and how students have settled in.

Please make a note of the date of this year's Y7 progress and intervention evenings below:

**Thursday 17 November** – Y7 Information Evening

**Thursday 8 June** – Cycle 2 Progress and Preparing for Y8

Yours faithfully

Lydia Gayle  
Assistant Vice Principal
