

October 2022

Dear families,

### **Y8 Cycle 1 Assessments and Parents' Evenings**

Firstly, I would like to thank you for your continued support in ensuring you support your child to uphold our core values of resilience, integrity and courtesy and to ensure our school is a place where everyone feels welcome and everyone succeeds.

#### **Cycle 1 Assessments**

For students in Year 8, C1 assessments will take place between **10-20 October**. These assessments will be taken in class and results will be shared with you via a C1 report in November. Please see the timetable overleaf to help your child to prepare for their in-class assessments.

To support your child, please encourage them to revise at home: quizzing, flashcards and mind maps using their 100% sheets or using online resources (such as Sparx and Educake) to support.

We will use the data from the assessments to target intervention and ensure students are in the right groups to support their progress.

#### **Y8 Progress and Options Evening**

Please make a note of the date of the Y8 Progress and Options evening. This will take place on **Thursday 9 February 2023** and will be an opportunity to speak to your child's subject teachers about their progress. It will also provide an opportunity to find out more about our options curriculum and choices students will make about their GCSE and vocational subjects.

Yours faithfully

Lydia Gayle  
Assistant Vice Principal
