Scholar advice

- You have going to have to be incredibly self-disciplined and show absolute focus
- Your notes / revision material / 100% sheets are the starting point for you to keep your learning alive
- You must keep going back to what you have already learnt in each subject as your teachers would usually do in lessons
- Check academy emails regularly as teachers may email individual scholars with additional support / tasks
- If you have a concern about an individual subject, please email your class teacher in the first instance
- If you have any other concern, please email your Head of Year in the first instance

Family advice

- Keep scholars' day as close to normal as possible, do not let them get into the habit of staying in bed
- Ensure scholars are taking breaks
- Ensure scholars are doing a balance between online work and paper based work
- Quiz scholars about what they are doing
- Show an interest in their topics
- Ensure they are emailing their usual classroom teacher with any subject specific questions, we will aim for a 24-hour response at least
- Following NHS and government advice (which is constantly changing)
