## Year 11 Mock 2 Examinations

Dear Families,

Firstly, I would like to thank you for your continued support in ensuring your child upholds our core values of resilience, integrity, and courtesy to ensure our school is a place where everyone feels welcome, and everyone succeeds.

We are approaching Cycle 2 Assessments for Year 11. Students will complete assessments in all subjects and these will be held between **19 February and 1 March** (just after the half-term break).

At Dixons McMillan, we use assessment to make inferences about student progress and to ensure that all students receive the support they need. Teachers will analyse students' performance in these assessments in order to plan the most effective interventions in class.

This will be the final opportunity before GCSE examinations to check the progress students are making.

Please can you help your child to prepare for these assessments by

- Providing them with a quiet space to revise
- Discussing their Mock 2 assessments with them
- Guiding them to use their revision material and 100% folders
- Talking to them about their concerns or fears.

Your child has been given a comprehensive revision checklist to support with their studies. The assessment timetable is overleaf.

We would like to wish all our students the very best of luck and continue to thank you for your ongoing support.

Yours faithfully,

**Lydia Gayle**  
Assistant Vice Principal
