

June 2026

### **Cycle 3 Enrichment Day (Year 8)**

Dear Families,

I am pleased to inform you that as part of Dixons McMillan Academy's Enrichment Day on the 9 July, Year 8 will be taking part in a number of practical sport workshops which will include the following:

- Glow in the Dark Dodgeball with Ben Holden from 'Wanna Teach PE'
- Boxing delivered by Evolve Sports Academy
- Lacrosse/Ultimate Frisbee with Alec Mason
- Wheel Chair Rugby with the Bradford Bulls
- Cricket with Adam Trunks and Yorkshire Cricket
- Cheerleading with Yorkshire Martyrs

This is a great opportunity for students to have be able to try sports they have not come across before. As all the providers are external visitors to facilitate this experience, the cost per child is **£10.00**. In order to ensure we have access to these fantastic providers, payments must be made in cash, paid to reception by **3 July 2026**.

Please be advised that students should attend school wearing full Dixons PE kit and should bring a refillable water bottle. Lunch will be provided as normal.

Your support in ensuring your child's participation and attendance is greatly appreciated, as we strive to provide the best possible educational experiences for all our students. Further information about the day will be communicated to students in assembly and during PE lessons.

Yours faithfully,

**Rachel Watkins**  
Head of Physical Education
