## *Be Safe.... Tell Someone*

It is important to us that all Students at DMA  
feel safe...

If you are worried about yourself, or another student being at risk of harm, you must inform a member of the safeguarding team.

The Safeguarding Team are shown on the poster nearby.

If you are unable to find a member of the Safeguarding Team, speak to any member of staff you are happy to talk to. They will make sure that someone is alerted.

If you have a concern outside of school, you can send any concerns to....
